

Newsletter June 2019

Hello

Welcome to our last half term of the year! And our last half term in our present room. There is a very exciting time ahead for us at Little Sunbeams!

Appropriate Clothing

Another reminder to ensure your children are dressed for the ever changing summer weather, our various play activities and ease of toileting. We aim to go out whatever the weather and often have messy activities so please ensure your child is dressed to play inside and out.

Can we also request that children wear clothes they can quickly remove to see to their own toileting. All in one 'playsuits' or dungarees look lovely but are not always practical for preschool. Children often wait till the last moment to use the toilet and we would like to avoid any 'little accidents'

Lunch

Another request that grapes, tomatoes and little sausages in your child's lunch are cut in half long ways or even better quartered to avoid being a choking hazard. If your child brings a yogurt please also remember to pack a spoon. Please also ensure your child's lunch does not include sweets or chocolate bars.

Annual General Meeting (AGM)/ Build and move information Talk

If you haven't already please reply to the AGM / Info talk letter. We would love to see more parents attend this year. It is really important that parents of children with us next year come to the Build talk at 12.30 on Tuesday 18th June as this explains the new building.

LSB Carnival

Please respond ASAP to our invite regarding our preschool carnival. We look forward to welcoming as many of you as possible.

Wish List

Our current wish list is as follows; Tissues (box), Anti-bac spray, A4 Copier Paper, fruit. If you are able to help purchase any of these for us and help reduce our costs it would be greatly appreciated. The list changes regularly, please check out the sign on the stairs. Thanks.

Tapestry Champion

Our Parent Tapestry Champion for the spring term was Freddie's Mum, Karen. Well Done. The Tapestry Champion award is given each Term to the parent who has created the most observations. These observations are vitally important as we can see examples of your

child's home learning. If you are having trouble logging in to Tapestry or want a quick lesson from us on how to upload pictures or observations please speak to your child's key person
