

**LITTLE SUNBEAMS COVID-19 AGREEMENT
FOR PARENTS/CARERS**

IMPORTANT: Please read and sign. We cannot allow your child to attend without this completed agreement.

I am aware that the current Covid-19 pandemic brings a number of known and unknown risks. I have chosen to access child care at this setting during the pandemic in the knowledge that much is still unknown about the virus.

I understand that the virus has a long incubation period during which time carriers of the virus may not show symptoms yet still be highly contagious. I also understand that some people may have the virus, but may never show symptoms. I understand it is impossible to determine who has the virus and I must assume that anyone anywhere could be infected and infectious.

I confirm that myself, my child and no members of my household are currently suffering from any of the following symptoms of Covid-19 and will inform the setting immediately should anyone develop any of the following symptoms at any time:

- FEVER (TEMPERATURE OVER 37.8 DEGREES)
- A NEW PERSISTENT DRY COUGH
- LOSS OF TASTE OR SMELL
- EXTREME FATIGUE

SHORTNESS OF BREATH AND BREATHING DIFFICULTIES

I confirm that neither myself or my child, have knowingly been in close contact (within 2 metres) of anyone suffering from any of these symptoms in the last 14 days* and should myself or my child, do so I will inform you immediately.

If my child develops symptoms I agree to either have my child tested for Covid-19 or to isolate my child along with the remainder of my household for 14 days*. (A child cannot return within 14 days* of the onset of symptoms without proof of a negative test).

*Unless alternative Government guidance for household isolation states otherwise

I understand my child can only attend setting if completely symptom free.

I understand that the UK government guidelines to maintain social distance of at least 2 metres is not achievable for young children and therefore my child will be in close contact with others whilst in this setting.

I understand that this child care provider has taken every precaution to provide an environment that is as safe as possible for my child.
