

Newsletter March 2018

Welcome

As you are probably all aware is a nasty sickness bug going around preschool and the local area at the present time. We ask for your continued support in controlling the spread of this. Children should only return to preschool 48 hours after their last bout of sickness or diarrhoea. Any child showing signs of feeling unwell or we feel has returned to preschool too soon after being affected WILL be sent home to try to avoid the bug being spread any further. We thank you for your cooperation.

The Big Question

Please continue to answer our monthly question by placing your child's name chip in the yes or no jar. So far we have asked; if you know who your child's keyperson is? If you have had any problems accessing Tapestry? If your child is happy at Preschool? If your child feels safe at this preschool. We love to hear all of your feedback good and not as good as it helps us to grow as a preschool.

WIFI Problems

There is a continuing issue with the WIFI at the church which is presently affecting our ability to up load observations to your child's learning journey. Please be assured your child's keyperson is still monitoring your child's progress. We hope to have this problem rectified asap.

Policies

The following policies have been updated and are available to read on our website/hardcopy in setting;

Complaints

Code of Conduct for Physical Contact

The following policies are currently under review;

Safeguarding and Collection and Non-collection of children. Please let us know if you have any comments on these.
