

Newsletter June 2018

Welcome

We wish to welcome a new Little Sunbeam; Scarlett H, we hope she thoroughly enjoys her preschool experience with us.

Top and Main church door

For your child's safety and all users of the building; it is important that the top preschool door and the main door into the church are always only opened and locked by a member of staff. When being seen out a member of staff should always accompany you. Please never let yourself out either door. If you let yourself out this leaves the main door unlocked which is obviously a security risk. We thank you for your cooperation.

Fire exit and safety on the stairs

When waiting in the lobby for a session to start or when picking up or dropping off your child could you please ensure that you restrict your child from blocking the stairs; this is obviously our route in and out and staff coming and going need free access. Please also ensure that buggy's/bikes etc. are not parked in front of the fire exit doors (inside or out) in case this is needed as an escape route. Thank you
